La Rochelle, 7th December 2020

Financial Times 2020 World Ranking of the best European Business Schools: Excelia Business School moves up 16 places, now ranked 13th major Business School in France

The Financial Times has today published its European Business Schools 2020 Ranking, featuring the top 90 Business Schools in Europe.

This is a composite ranking based on the combined performance of Europe's leading schools across the all the rankings published by the FT: MBA, Executive MBA, Masters in Management (MiM) and Executive Education.

Excelia Business School is now ranked 63rd in Europe and, with a rise of 16 places compared to 2019, it has recorded the second highest increase in Europe.

+ 30 places in 2 years for Excelia Business School

Excelia Business School continues to rise in the prestigious Financial Times ranking of the best European Business Schools. It has climbed 16 places from the 2019 ranking, following on from a rise of 14 places between 2018 and 2019. Therefore, over a period of only two years, it has climbed a total of 30 places.

13th major Business School in France out of 90 ranked European Schools

In this latest ranking of Europe's top Business Schools, Excelia Business School features in 63rd place out of 90 Schools, and is in 13th place out of the French schools included.

This ranking takes into account various criteria including first salary after graduation, salary evolution after 3 years, the quality and international composition of the School's Faculty, and the ranking of the programme in the various European rankings published by the Financial Times.

This ranking brings to a close a year of outstanding performance by Excelia, which has included the obtaining of the highly coveted triple crown (EQUIS, AACSB and AMBA), entry into the TOP 50 of the FT Masters in Management world ranking, important progress in all the French rankings, and the takeover of ESCM Business & Digital School.
