Student voice

"I joined Excelia in the spring intake, without waiting for September. Within a few weeks I had my admission result, a campus and a cohort from all over France and the world. The support is real — for the paperwork and for the career project — and the accreditations open doors, here and internationally."

How to apply

Whatever your profile, you apply online at **xlconnect.excelia.fr** . What happens next depends on your situation:

French applicants

1. **Online application** Submit your application file at xlconnect.excelia.fr.
2. **Motivation interview** On campus or online, as you prefer. A recruitment session every month from late August 2026.
3. **Result within 7 days** You receive your admission decision within 7 days of your interview.

International applicants

1. **Online application** Submit your application file at xlconnect.excelia.fr. Applications on a rolling basis.
2. **Online interview** Live with a member of the panel or a recorded video, depending on your availability.
3. **Result within 48 hours** Admission decision, then support with your paperwork (visa, housing, settling in).
